Philosophy of Well-Being

The Public Health Institute, PHI, is committed to supporting its employees adopt and maintain lifestyles that enhance their own overall well-being. This commitment is an extension of PHI’s vision of healthy communities, and is demonstrated by comprehensive benefit choices that address the diverse needs of employees and their families.

PHI’s health and wellness benefits, collectively referred to as PHI Wellness 360, consist of five distinct, yet interconnected elements: Health, Career, Social, Community and Financial. To support its Philosophy of Well-Being, PHI provides benefits which:

- incorporate health and life insurance alternatives that address employees’ varying needs;
- include a mindfulness meditation program as a resource for easing stress and improving resilience;
- support career development through new hire orientation, on-the-job training and online training courses;
- include a confidential employee assistance program that provides services to help navigate life’s challenges;
- encourage employees’ participation in their immediate community, as well as in the global community;
- support employees’ financial well-being by including generous employer contributions to 403(b) retirement plan accounts, provide tax-free and tax-deferred plans, and provide financial education and consultation.

Eligibility in specific plans is dependent upon an employee's classification and length of employment.
ELIGIBILITY

Eligibility to participate or enroll in the PHI-sponsored benefit plans is limited to employees in regular (vs. temporary) positions who are scheduled to work 20 or more hours each week.

PHI PAID BENEFITS

Health Insurance
PHI pays 95-100% of eligible employees’ medical insurance premiums (depending on the individual’s salary), and pays 100% of all employees' dental and vision insurance premiums. Employees may choose to enroll eligible dependents by sharing in the associated costs of premiums. Medical, dental and vision coverage begins on the first of the month following an employee’s date of hire.

Short-Term Disability Benefits

Defined Contribution Retirement Plan
PHI sponsors a tax-deferred savings plan called the 403(b) Retirement Plan. Eligible employees may contribute a percentage of their annual compensation beginning the month following employment. Employee Assistance Program (EAP) and Whil Wellbeing Training
Employees are automatically enrolled in the EAP at no cost. The EAP can help with issues such as stress, work/life concerns, alcohol and drug problems, financial issues, legal matters, grief and depression.

Eligible employees also have access to Whil, a digital wellbeing training platform that provides access to some of the world’s top mindfulness trainers.
VOLUNTARY (EMPLOYEE PAID) BENEFITS
